

Maximum Chances Funding Re-Application Checklist

The following checklist is for applicants who have previously been approved for funding by MAXimum Chances and are requesting additional funding for the same provider. In order to ensure no disruption in service, please submit all documents in this checklist 4 weeks or more before original funding is exhausted.

- Letter of request from family (including applicant's name and service provider for which additional funding is being requested)
- Updated application if any information has changed
- Letter of recommendation from provider regarding grant for additional services
- Most recent tax return if new tax year
