PROGRAMS AND POST-FUNDING APPLICANT REQUIREMENTS

MAXimum Chances allows applicants to apply for a single season (usually 10 sessions) of Camp at White Bridle. White Bridle offers a one-week session where children participate in activities such as nature projects, music time, and baking projects. For the Winter camp session, the family will be required to pay a co-payment toward your child's fees. Maximum Chances will contribute \$900 per participant per session. The family is responsible for a \$100 co-payment per participant, payable on the first day of Winter Camp.

Because of the significant investment by MAXimum Chances for the White Bridle program, it is important for students to be in attendance to benefit from the services. MAXimum Chances must pay White Bridle for the session, regardless of whether a child is in attendance or not. Therefore, it is the expectation of MAXimum Chances that the applicant attends all days of Camp unless they or their parent are ill. A doctors note may be required to verify this absence.

All funds from Maximum Chances will be paid directly to **WHITE BRIDLE**. Your co-payment will be paid directly to **WHITE BRIDLE**. If an applicant receives funding from any other source (e.g. insurance or grant) for the White Bridle program, the applicant must disclose this to Maximum Chances immediately. If the alternate funding exceeds the applicant’s co-payment share, Maximum Chances may reduce payments by the amount that the alternate funding exceeds the co-payment. Co-payments must be made on the first day of the camp session. If an applicant does not pay on the first day of camp, funding may be withdrawn by MAXimum Chances for the program.
